If you are having trouble getting supplies, please talk to us. It's VERY important to have the basics and you can add to your supply as the year progresses. It's your responsibility to have plenty of pens, pencils, highlighters, paper, etc in your binder at all times.

As we move toward being more organized, it is required for all students to keep a binder. Please note keeping your binder organized with all your work for each trimester is going to be required this year.

**DO NOT THROW YOUR WORK AWAY UNTIL YOU HAVE BEEN INSTRUCTED -
please let your parents know this as well**
